

CHARITY IMPACT

Shutterbugs 4 Charity just completed our calendar & note card fundraiser and we were fortunate to raise \$53,000 (and counting as orders continue to trickle in) given all the wonderful support provided throughout the country. Additionally, this was the first year that we offered donor levels as an option as well. This includes donations at the \$1000 (Monarch), \$500 (Lightning bug), \$250 (Dragonfly), and \$100 (Lovebug) level. The donations made at the donor levels helped tremendously in making our fundraiser as successful as it was. Our team at Shutterbugs 4 Charity is extremely humbled by the outpouring of support during a time when we are all dealing with a pandemic and all that has unfolded in light of it. Thanks again to all of you from the bottoms of our hearts. We hope to make you all proud of becoming part of the Shutterbugs family.

We have donated to the following causes in the end of 2020 and beginning of 2021:

Good Shepard Food Bank

Ronald McDonald House
Center for Grieving Children
Saco River Wildlife Rescue
Safe Passage

Additionally, Shutterbugs for Charity has tried to recognize the needs that have surfaced during Covid and we have supported efforts to address food insecurities in our communities, as well as, provide outreach efforts to our first responders.

As many of you are aware, Shutterbugs 4 Charity is passionate about assisting those in need in the areas of homelessness, child & family services, mental health, animal welfare, and grassroots organizations. We do however hope to go beyond these areas to meet other areas of need as we continue to grow and develop.

The Shutterbug Team extends well wishes for everyone as we work together to fight this pandemic and join together as a nation.
