### **Fundraising Efforts for 2021-2022**

Shutterbugs 4 Charity is getting ready to kick off our third year of selling note cards and calendars, which is our primary fundraising effort. Something new this year is the fact that there will be 3 different notecard sets to choose from. We have a wildlife, simplicity, and a landscape series (all soon to be available for preview on our website).

Additionally, we continue to offer donor levels as an option to support Shutterbugs 4 Charity as well. This includes donations at the \$2000+ (Golden Monarch), \$1000 (Monarch), \$500 (Lightning bug), \$300 (Dragonfly), and \$100 (Lovebug) level. The donations made at the donor levels helped tremendously last year in making our fundraiser a very successful one.

Next, we would like to take this time to inform you that Shutterbugs 4 Charity has been fortunate to have Provencher Fuels in Biddeford (207-384-8068) as a sponsor. Provencher fuel is donating a % of the sales from Shutterbug's customers back to the organization so please consider signing up for fuel with Provencher and tell them you want to be added to the Shutterbugs 4 Charity corporate account.

Lastly, Our team at Shutterbugs 4 Charity continues to be extremely humbled by the outpouring of support during a time when we are all dealing with a pandemic. Thanks again to all of you from the bottoms of our hearts. We hope to make you all proud of becoming part of the Shutterbugs family .
